Thursday evening:- Have had supper and am wondering how the day has gone. you probably have become quite established. The Finns are in cartoonale, Pop was talking to Sam in Milli Bros. store today he is doing some papering is coming up before he goes home.

Picked the gladiolas, cucumbers and squash today. Tomorrow the pea beans and whatever I get at.

Helen says Turner Foster went to Wyoming Seminary this morning is going to study for the ministry.

Friday morning- I fell asleep in my chair last night and could not finish so will try it again. Have called Helen about ten times but I hear a noise so guess she is alright. The little Glossinger boy just came down and said the peacocks were up. Then so pop has gone after them.

Miss Mulholland has taken Miss Ackerman's place as Helen says.

Mr. & Mrs. Russell Snyder and Richard Cross went to N. J. to see Anthony's children when they got there found his wife & baby had gone up to her people in Herick, but saw the children. Guess this is all I wanted to get is mailed yesterday but guess Jennie got ahead of me mother.
